

Game Reporting Process

One team official for each team is required to submit the game report at the completion of each game. To properly complete the game reporting process each team must complete the following steps:

U13 to Open

- Log in to league website at www.swrsaleague.ca
- Select 'My Team' tab
- Select 'Game Report' on left hand side
- In this section you will find the games that require a game report to be completed
- Select the game you wish to complete the report for
 - Select all the players that were in attendance at the game, including guest players
 - Include all goal scorers and all red and yellow cards received in the game
- Click 'Submit'

Grassroots

- Log in to league website at www.swrsaleague.ca
- Select 'My Team' tab
- Select 'Game Report' on left hand side
- Select the game in which you wish to report from the drop down box
- Grassroots coaches are only required to identify if the game was completed or not. No other reporting is to be done
- Click 'Submit'

NEW

Once the report has been successfully submitted, a generated email will be sent to the submitting team official identifying that the game report for the specified game has been completed

Please keep all emails of successful game report submissions should there be any discrepancies with late game reports.
